What are you going to do?

Spring Semester (Semester 10): Research Project (30 ECTS)

• Presentation of internships per specialization: **October the 8th, 2020** (Amphi H, Ensimag)
• You can choose either professional or research internship but your subject should be approved by MoSIG directors
• If you choose an internship outside Grenoble or in a company you have to ask a professor to be your tutor
• Once your subject approved you have to register, by choosing the date of your defense (June or September) and filling other information

https://framaforms.org/mosig-m2-internships-1568630484

Without this registration your defense will not be programmed
Internship (evaluation)

• Your internship mark
  • accounts for half of your master grade.
  • includes the supervisor’s evaluation, the external expert’s review (for research projects) and the defense itself
    • Supervisor evaluation includes autonomy, involvement and dynamism
    • External expert evaluation includes the structure of the manuscript and judges its research quality
  • The jury is composed of the specialization’ directors, the supervisor and/or the tutor and the external expert and the evaluation includes the presentation, the research quality of the work and the answers to the questions.
Juries

• Juries of Semester 9 (March the 15\textsuperscript{th}, 2021) and Semester 10 (The week of June the 28\textsuperscript{th}; Week of September the 6\textsuperscript{th}) are independent of each other

• Validation of a semester
  • All UE $\geq 10$ -> OK!
  • No UEs < 7 and semester average above 10 -> OK!
    (UE = teaching unit e.g. 1 course)

• You can retake an exam if the UE mark is < 10 (you may have to refuse the semester validation)

• If you are sick on the day of an exam, make sure to show a certificate to Carine or Emmanuel
Registration Information (all other students)
